

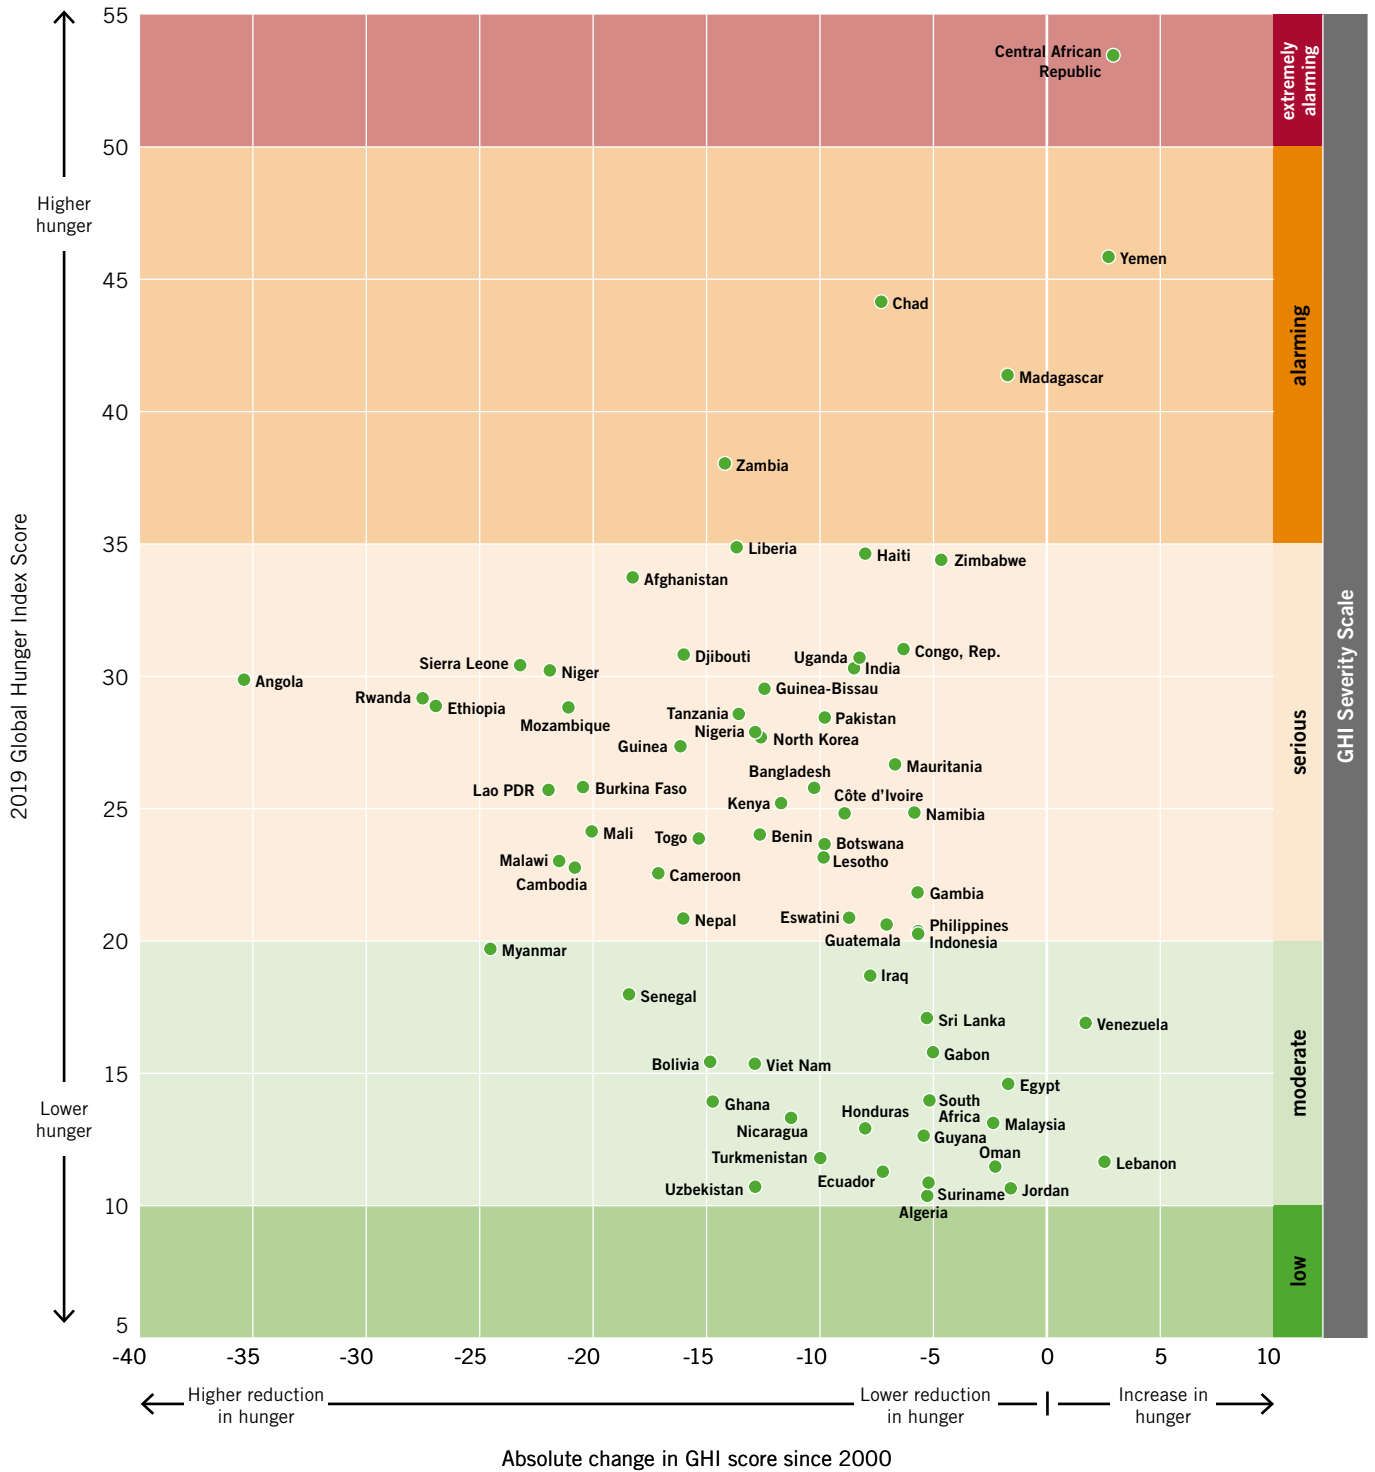

FIGURE 2.2 2019 GHI SCORES AND PROGRESS SINCE 2000

Source: Authors.

Note: This figure illustrates the change in GHI scores since 2000 in absolute values. This figure features countries where data are available to calculate 2000 and 2019 GHI scores and where 2019 GHI scores show moderate, serious, alarming, or extremely alarming hunger levels. Some likely poor performers may not appear due to missing data.
